The Calming Leaf Company
Presents

RIGHT UP MY ALI

It's all about leaves
Because we like leaves
And they are good value

windy day
Blowy day
If leaves
Had names
Like Ali
Or Bec
Gossa
Merlist
Injestica
Infrolika
Molicka
Polia
Trollist
Fronee
Vrianda

Next to the radio station

Leaves in the wind

Rustling on the tree

Leaf radio

I'm going to ask the radio to say

Please leave the leaves

Don't tidy them up

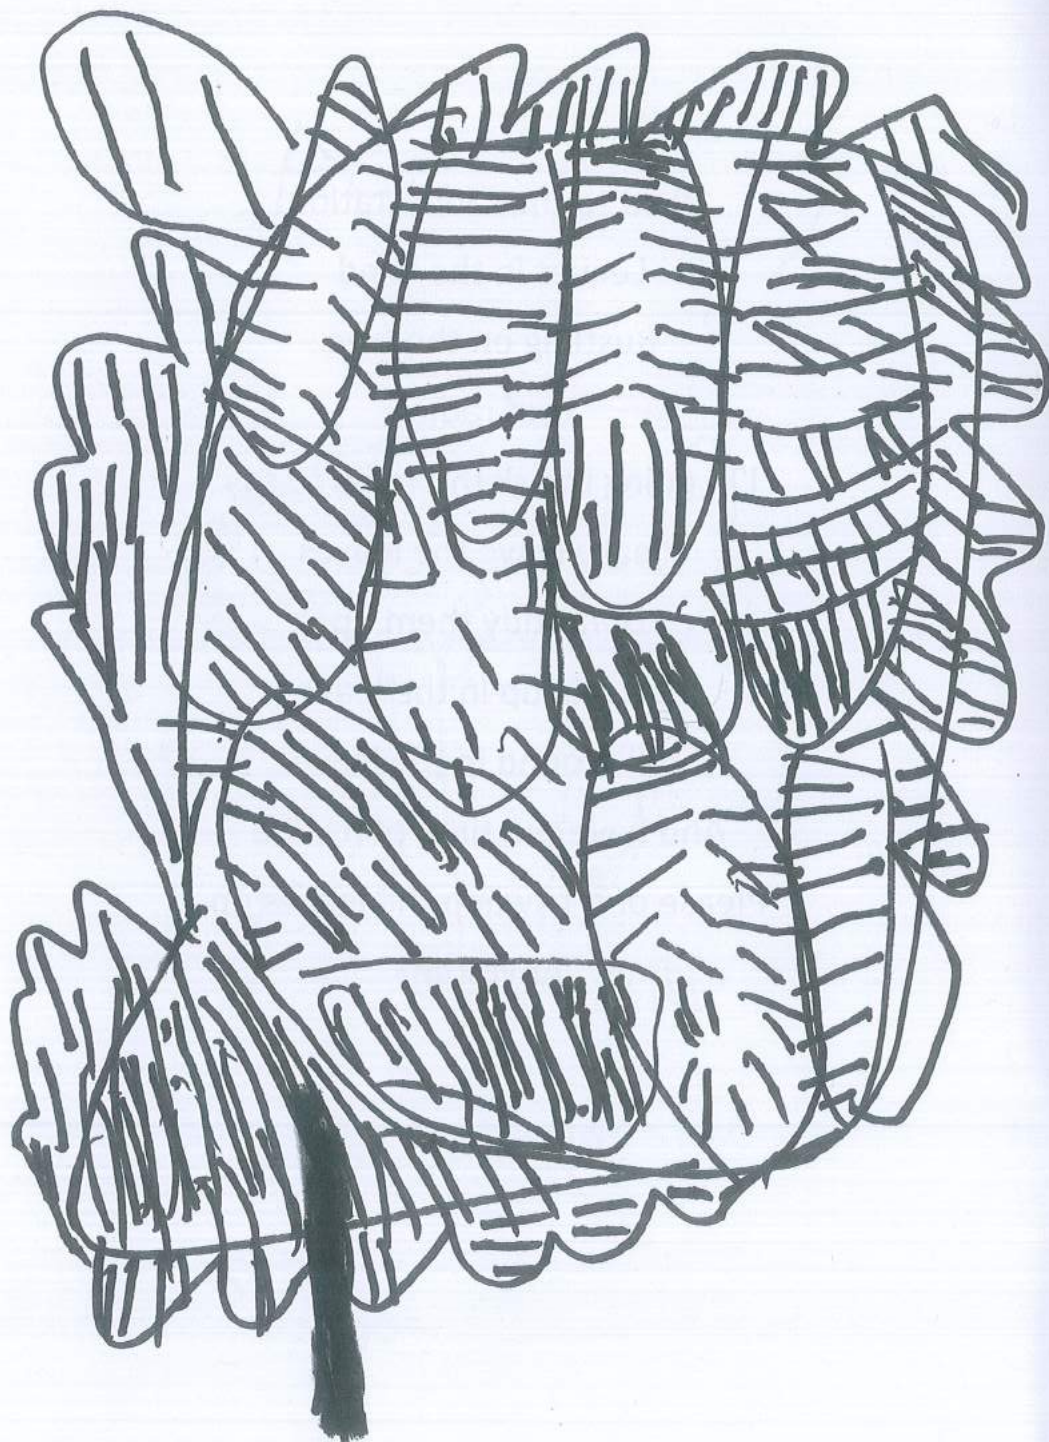

I snuggle up in the leaves

I roll around in the leaves

And have the time of my life

Please don't sweep the leaves up

Anymore

LEAVES
JUST COME
IN
DIFFERENT
SHAPES

Why do leaves go to sleep
The leaves just curl up and go to
sleep

Don't wake the leaves up.

You have to wait

You can't wake the leaves up

You have to wait

Until they come around

And then they see you

Silkscreening

Is it like

Canoeing?

Is it ?

A little bit

Your arms go

Your arms go

Round

Or

Forwards and back

Silkscreening

I speak leaf

Red lips leaf lips

Shhhhhhh

Kshhhhhh

Kshhhshh

Kshhshhk

Kshhhhhh

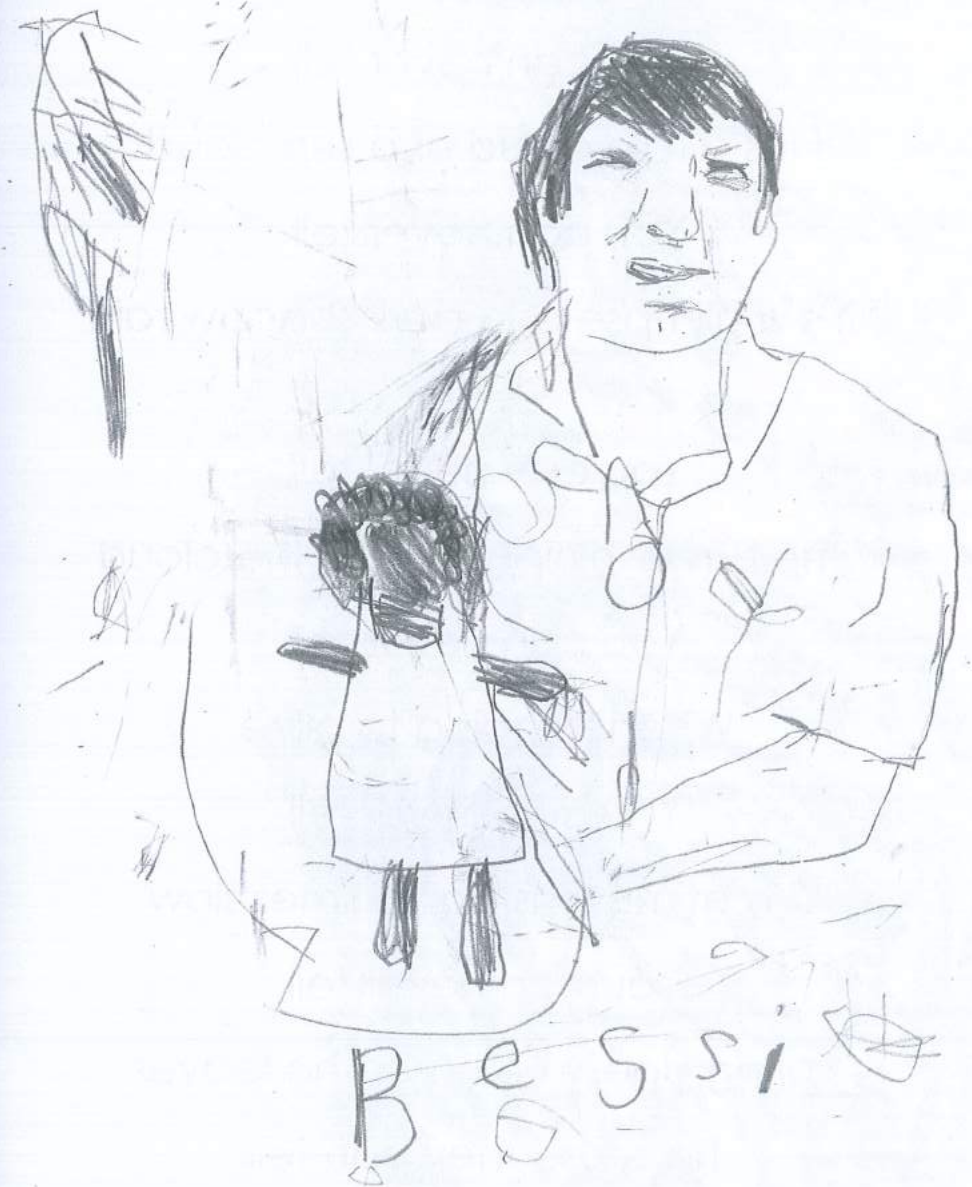

Kshhhhhh

Kshksh

Kshhh

Shh shh

shhhshhhshhhshh

Spring

You can never tell

If it's a rain cloud or a sun cloud

You can never tell

If it's a glimpse or a dark shadow rain
cloud

You can never tell

If the sun is shining behind the cloud

You can never tell

When its going to gline

You can never tell

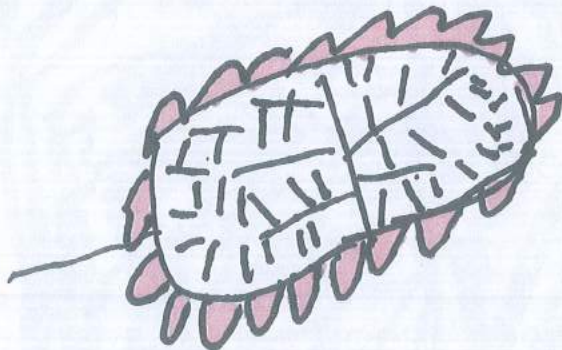

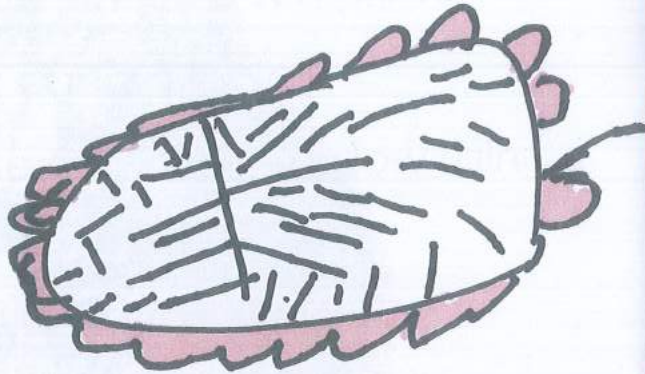

Sometimes fast sometimes slow

You can never tell

Spring doesn't bother the leaves

Because they can tell

Calming relaxed leaves
I like the colour and shape
I completely like drawing leaves
I'm happy to do them
Completely happy to draw them
I always draw them
only leaves
I only draw leaves

I can't eat
plastic fruit

I don't know why

The plastic fruit
I can't have it

It makes me sick

What is that thing?
Are we annoying it?

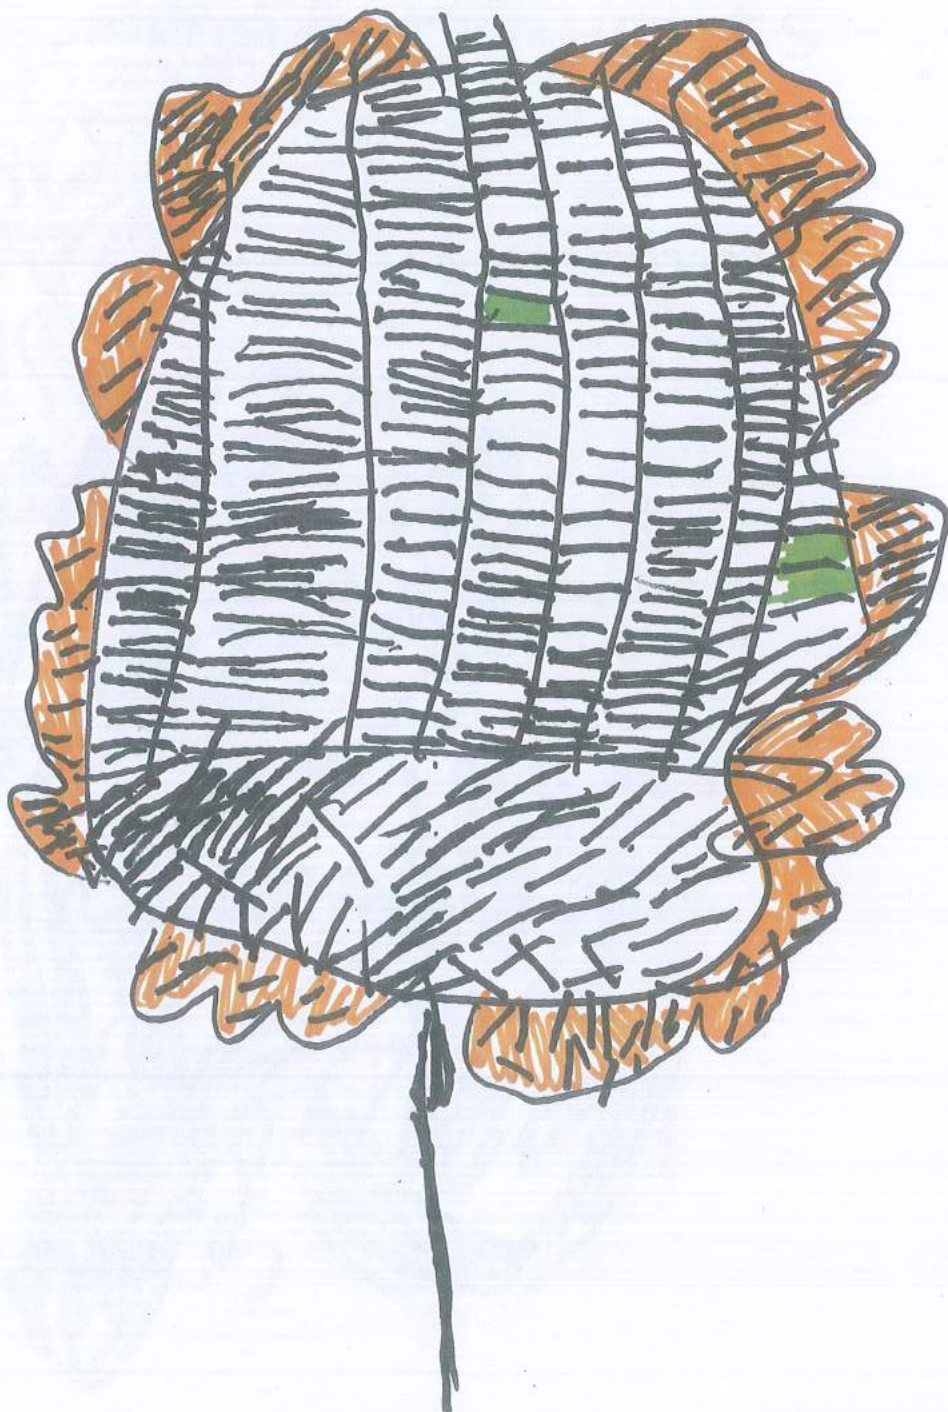

Do you
Remember me?
Do you remember
me?
well
Put it this way
How could you
Forget me?

Your thoughts
know

Because they
have been there
before

FEBRUARY 1, 2017

To All Concerned,

Are you all happy the CALMING LEAF COMPANY is back on deck.....

Things got a bit shaky over the Christmas period all because Ali got her knickers in a tizzy whizzy and decided it was too uncomfortable to continue.

We finally got it on board again it was a team effort thanks to Rags and Bessie .

Its good to be back together again as THE CALMING LEAF COMPANY.

What would you have to do if the CALMING LEAF COMPANY closed down? Thankfully we won't have to find out.

In the new year we plan new activities and welcome Mauvie to our team.

ALISYMES

Warm regards,
